COLLECTIVE

ADVENTURE

Our Third Thursday Hangouts allow for Quad City youth from different GSA's to come together, play games, watch movies, eat pizza and make new friends!

EDUCATION

The Q Collective is a youth led program of The Launch Pad that was developed with the help of a Prescott College student, for their senior project. This project quickly became an awesome addition to The Launch Pad's long list of clubs and programs. The Q Collective was set in place to give Quad City youth a place to feel accepted and to be able to share their stories in a safe space.

INCLUSION

The Q Collective is an all inclusive space. We strive to include youth in the community by providing opportunities for them to be more involved with the Quad City community.
