

WEB Conference 2023 Registration Form

April 28th - April 30th 2023

The WEB Registration form has changed from previous years. Please read this registration form carefully. **Non-Discriminatory Policy:** Women's Empowerment Breakthrough does not discriminate on the basis of race, religion, national and/or ethnic origin, marital status, sexual orientation, body type, physical ability, gender expression, or other individual identities in the administration of any of its programs, admissions policies, scholarships, and other conference-related policies and programs, as well as volunteer policies and activities. All activities will promote and maintain the personal and emotional safety of all participants and volunteers. **Cabin Policy** If you are signing up with friends and would like to stay in the same cabin, please get your registration form in ASAP with a list of girls you would like to room with indicated on the form, in the section titled, "Cabin Assignments" below. **Scholarship Policy** We have scholarships available for any girl who needs one. With the economic situation in the U.S. we have had more and more girls request scholarships. **The actual cost of the WEB Conference** is much more than what we charge our participants. We are able to do this through the generous donations of our community and through many rigorous fundraising efforts. **If you are able to give more than the requested tuition for your girl to attend WEB this year, we will use the additional money that you send to help provide a scholarship for a teenage girl less fortunate that would like to attend the conference.** All contributions above the WEB tuition are greatly appreciated and tax-deductible.

Please note that Registration is FIRST COME FIRST SERVE. We will put you on a waiting list and refund your payment if registration is full when you apply.

What Not to Bring to WEB

➤ There are no drugs, alcohol, or cigarettes allowed at WEB. *If you bring any of these things you will be sent home early.* ➤

We encourage girls to just be themselves at WEB. There are showers at camp. Many girls choose not to shower for the weekend or wear makeup or style their hair. This is everyone's personal choice and if you feel like leaving those things at home, you are encouraged to do so.

➤ Please do not bring a cell phone- There is little to no service at the camp. We have an emergency satellite phone in the case that there is an emergency and we need to use it. We encourage girls not to bring their cell phones, if we find that a participant is texting or trying to make phone calls and it is distracting them from participating in the conference, we will take the phone away for the weekend. This is your time to connect with yourself, nature, and your friends at the conference. Believe it or not, it can be a really nice treat to take a break from the "digital world".

Note: The camp has its own generator that is turned off when the group has completed its evening activities. The generator is turned on again before breakfast.

**UPDATED TRANSPORTATION DETAILS WILL BE PROVIDED VIA EMAIL
PRIOR TO THE CONFERENCE**

Please check the email address provided frequently leading up to the conference for any changes or updated information.
